

It is long past time that Congress exercises its authority to protect the republican government of the States from out-of-control Federal judges. Therefore, I urge my colleagues to co-sponsor the We the People Act.

#### HONORING ERNIE GEMPERLE

### HON. GEORGE RADANOVICH

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 14, 2009

Mr. RADANOVICH. Madam Speaker, I rise today with my colleague from California Mr. CARDOZA to honor the life of Ernie Gemperle for his dedication and service to his community and family. Mr. Gemperle passed away at the age of seventy-nine on Saturday, November 15, 2008 at Emanuel Medical Center in his home town of Turlock, California.

Ernie Gemperle was born on June 7, 1929 in Bischofszell, Switzerland and was one of twelve children. He graduated from the International Poultry School in Bern. Mr. Gemperle emigrated from Switzerland in 1949 with nothing more than his degree. Upon arriving to the United States, he was drafted into the Army, where he served at Fort Ord during the Korean War. In October 1955, he went back to Switzerland to marry his childhood sweetheart, Annemarie Dezhlofer. They returned to the U.S., settled in Turlock, California and began an egg business, Gemperle Enterprises. Together, Mr. and Mrs. Gemperle raised seven children and developed a successful business.

Gemperle Enterprises has been an industry leader as egg production moved from small, scattered henhouses to the concentrated, automated operations of today. The business was one of the first egg farms to use bulk, rather than sacked, feeds. Mr. Gemperle upgraded the packing system in other areas of the operation with the goal of providing quality eggs at a lower price. The eggs were marketed under the Nulaid label. He soon joined with other egg producers to create NuWest Milling, which built a feed and grain terminal near Hughson, California and the NuCal Foods distribution cooperative in Ripon, California. Mr. Gemperle was a pioneer for the egg industry, including organic and other specialty eggs. He was willing to purchase the newest equipment with the latest technology to insure the safety of the hens and provide the lowest prices for the consumers. Today, the family business has grown to include over one million hens on several farms.

Mr. Gemperle and his family have tirelessly supported numerous causes, including their church, healthcare, higher education and the arts. The Greater Yosemite Council of Boy Scouts was his number one cause. Mr. Gemperle served as Council President for two terms from 1990–1991. He received the Silver

Beaver for his service to Scouting in 1991. He also served as the head of the council's Investment Committee from its inception in 2006. He has also served on the Executive Board of the Council from the early seventies until his recent passing. His son, Michael, serves as the Scouting Nominating Committee Chair and as the Executive Vice President of the Council. Michael is slated to become President in 2010. Since 1971, the Gemperle Family Bar-B-Que has raised money for Scouting each year. The event is held at the family home and the food is served by family members. It is estimated that over \$500,000 has been raised from this BBQ.

Mr. Gemperle was considered a leader in his local community. He served as Rotary President and a Rotarian for forty years. He has been a driving force behind many of the City Council's initiatives, including the building of the Rogers Service Center in 1999–2000. He served on the boards for both Emanuel Hospital and Doctors Hospital in Modesto. He was past chairman of Catholic Charities of the Stockton Diocese and was instrumental in the construction of Sacred Heart Church and the California State University, Stanislaus Newman Center. Recognition of his service is great; including Agri-businessman of the Year (1980 Turlock Chamber), Paul Harris (1985 Rotary), Liberty Bell (1990 County Bar), University Medal (1991 CSUS) and Good Samaritan (1999 EMC) just to name a few.

Mr. Gemperle's leadership and generosity has been passed down to his children who now run Gemperle Enterprises. All of his children are active in the community and serve on the boards or committees for various organizations and causes that Mr. Gemperle supported. He was a strong supporter and advocate of California State University, Stanislaus, United Samaritan's of Turlock, Emanuel Hospital of Turlock, Sacred Heart Church and the Boy Scouts of America. The family was honored at the "Distinguished Citizen's Dinner" by the Council in 2005 for their continuous work and dedication to the community.

Annemarie Gemperle preceded her husband in death in 1999. Mr. Gemperle is survived by his second wife, Maria Gemperle; sons Peter, Richard, Stephen and Michael all of Turlock; daughters Heidi Gemperle of Seattle, Anita Mahaffey of San Diego and Susan Abdo of Boise; two step-daughters Brigit Johnson and Barbara Masterson; twenty-one grandchildren; three step-grandchildren; brother, Walter Gemperle of Turlock and six siblings in Switzerland.

Madam Speaker, I rise today to posthumously honor Ernie Gemperle for his leadership and dedication to his community. I invite my colleagues to join me in honoring his life and wishing the best for his family.

#### RECOGNIZING THE EFFORTS OF THOSE WHO SERVE THEIR COMMUNITIES ON MARTIN LUTHER KING DAY

SPEECH OF

### HON. BETTY MCCOLLUM

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 13, 2009

Ms. MCCOLLUM. Mr. Speaker, I rise today in strong support of H. Res. 43, which recog-

nizes the efforts of those who serve their communities on Martin Luther King Day and promotes the holiday as a day of national service.

During his life, Dr. Martin Luther King, Jr. recognized the power of service to strengthen communities. In 1994, Congress made Martin Luther King Day a national day of community volunteerism to further commemorate Dr. King's commitment to others.

This King Day, as part of inauguration festivities, President-elect Barack Obama has encouraged all Americans to not only use this day to volunteer, but to also make a long-term commitment to community service.

At home in Minnesota, and across the nation, many will volunteer to serve their communities by working at food banks, helping the homeless, and improving schools. Minnesotans have a proud tradition of civic engagement. In a study conducted by the Corporation for National and Community Service, Minneapolis-St. Paul was ranked number one for volunteer rates in a large city.

As we begin this new Congress and new White House Administration, I can think of no better way to strengthen our country than to help create change in our communities. I encourage everyone to get involved this Martin Luther King Day and to browse <http://www.usaservice.org> for volunteer opportunities. I also want to thank every American who will volunteer on Monday and those that continue to serve throughout the year.
